|-----------------|-----------------------------------|
| Art. ID         | TRC-A161600-2.5MG                 |
| Unit            | 2,5 mg                            |
| Deliverydetails | No Dangerous Good /not restricted |

### **Description**

Category: Inhibitors, Nucleotides, Bases and Related Reagents, Pharmaceuticals, Intermediates and Fine Chemicals /// Appearance: Off-White to Light Beige Solid /// Application Notes: It is a designer drug which acts as a phosphodiesterase inhibitor. It is a structural analogue of Sildenafil (Viagra), which has been detected in numerous different brands of supposedly "herbal" aphrodisiac products sold to boost libido and alleviate erectile dysfunction. /// References: Brock, G., et al.: Drugs Today, 36, 125 (2000), Rosen, R., et al.: Am.
