

## **2-Amino-5-bromo-3-methylpyridine**

Art. ID TRC-A601829-1G  
Unit 1 g  
Deliverydetails No Dangerous Good /not restricted

### Description

Category: Amines, Heterocyclic, Nucleotides, Bases and Related Reagents /// Appearance: Yellow Solid ///

| Text/Information | Analyte/Parameter                    | CAS number  | Concentration/Value | Unit | Method | Source |
|------------------|--------------------------------------|-------------|---------------------|------|--------|--------|
|                  | 2-Amino-5-bromo-3-methy<br>lpyridine | [3430-21-5] |                     |      |        |        |
