

N-Phenyl-p-phenylenediamine (p-Anilinoaniline)

Art. ID	TRC-A663390-25G
Unit	25 g
Deliverydetails	ADR Excepted Quantity (EQ) / AIR Excepted Quantity (EQ)

Description

Category: Amines, Aromatics /// Application Notes: p-Anilinoaniline is an antioxidant that has shown to cause a reduction of NOx emissions from soybean biodiesel powered DI diesel engines but has increased CO and HC emissions. /// References: Varatharajan, K., Cheralathan, M.: Fuel Process Technol., 106, 526 (2013)
