

3-Amino-1-propanol-d4

Art. ID TRC-A628132-2.5MG
Unit 2,5 mg
Deliverydetails De Minimis

Description

Category: Amines, Intermediates, Isotope Labelled Compounds /// Appearance: Colourless Oil /// Application Notes: Compound forms a complex with Mefenamic acid increasing its transdermal permeation properties /// References: Fang, L., et al.: J. Pharm. Sci., 93, 144 (2004), Gibellini, F., et al.: Biochem. J., 415, 135 (2008), XXX
