

6-Amino-5-bromopyridine-2-carboxylic Acid Methyl Ester

Art. ID TRC-A601910-2.5G
Unit 2,5 g
Deliverydetails No Dangerous Good

Description

Category: Amines, Aromatics, Heterocycles, Pharmaceuticals, Intermediates and Fine Chemicals /// Application Notes: Used in the preparation of aminopyridinamides as sodium channel modulators. /// References: Edwards, J., et al.: J. Med. Chem., 41, 2779 (1998), Ishikawa, S., et al.: Chem. Lett., 35, 164 (2006)

Text/Information	Analyte/Parameter	CAS number	Concentration/Value	Unit	Method	Source
	6-Amino-5-bromopyridine	[178876-82-9]				
	-2-carboxylic Acid Meth					
	yl Ester
