

**Zinc Master Alloy, Cast, Certified Reference Material (CRM), disc 50 mm x 20 mm**

Art. ID MBH-41XZNi2A  
Unit disc  
Deliverydetails No Dangerous Good /not restricted

| Text/Information | Analyte/Parameter | CAS number  | Concentration/Value | Unit | Method | Source |
|------------------|-------------------|-------------|---------------------|------|--------|--------|
|                  | Aluminium (Al)    | [7429-90-5] | 0,0135              | %    |        |        |
|                  | Bismuth (Bi)      | [7440-69-9] | 0,005               | %    |        |        |
|                  | Cadmium (Cd)      | [7440-43-9] | 0,001               | %    |        |        |
|                  | Copper (Cu)       | [7440-50-8] | 0,0056              | %    |        |        |
|                  | Iron (Fe)         | [7439-89-6] | 0,0061              | %    |        |        |
|                  | Nickel (Ni)       | [7440-02-0] | 1,97                | %    |        |        |
|                  | Lead (Pb)         | [7439-92-1] | 0,0172              | %    |        |        |
|                  | Tin (Sn)          | [7440-31-5] | 0,141               | %    |        |        |
