

4-Amino-3-methoxybenzeneethanamine-d4

Art. ID TRC-A612017-250MG
Unit 250 mg
Deliverydetails No Dangerous Good

Description

Category: Aromatics, Amines, Pharmaceuticals, Intermediates and Fine Chemicals /// Appearance: Brown Solid ///
Application Notes: Isotope labelled 4-Amino-3-methoxybenzeneethanamine is an intermediate in the synthesis of aniline derivative as nitrogen synthase inhibitors.
