

5-Amino-1,3,4-thiadiazole-2-sulfonamide Hydrochloride Salt

Art. ID TRC-A630360-50MG
Unit 50 mg
Deliverydetails No Dangerous Good

Description

Category: Amines, Heterocycles, Pharmaceuticals, Intermediates and Fine Chemicals, Sulfur and Selenium Compounds /// Appearance: White Solid /// Application Notes: Acetazolamide intermediate. /// References: Carta, F., et al.: Bioorg.
