

## **1,5-Anhydro-D-glucitol**

Art. ID	TRC-A648000-250MG
Unit	250 mg
Deliverydetails	No Dangerous Good /not restricted

### Description

Category: Carbohydrates and Derivatives /// Appearance: White to Off-White Solid /// Application Notes: This compound has been isolated from several plant and animal sources, discovered in human cerebrospinal fluid and blood plasma and found to be an inhibitor of several enzymes. Anhydroalditols are a class of reduced sugars which are present in many natural systems and which have been employed as synthesis intermediates. /// References: Yamanouchi, T. et al. Am. J.
