

Arbutin

Art. ID TRC-A766510-100MG
Unit 100 mg
Deliverydetails No Dangerous Good /not restricted

Description

Category: Aromatics, Carbohydrates and Derivatives, Pharmaceuticals, Intermediates and Fine Chemicals ///
Appearance: White Solid /// Application Notes: Arbutin is a glycosylated hydroquinone extracted from bearberry plant. Arbutin is a known inhibitor of tyrosinase, which in turn prevents the formation of melanin. Arbutin is often used as a skin-lightening agent in cosmetic products. /// References: Magnusson, B., et al.: J. Invest.
