

L-Aspartic Acid 4-tert-Butyl Ester

Art. ID TRC-A788930-25G
 Unit 25 g
 Deliverydetails No Dangerous Good /not restricted

Description

Category: Amines, Amino Acids and Derivatives, Chiral Reagents, Pharmaceuticals, Intermediates and Fine Chemicals /// Application Notes: L-Aspartic acid 4-tert-butyl ester is a protected form of L-Aspartic acid (A790024). L-Aspartic acid is a nonessential amino acid that is used to biosynthesize other amino acids within the human body. L-Aspartic acid also increases membrane conductance of mammalian neurons by voltage-dependent means, causing depolarization and nerve impulses that travel to key areas of the central nervous system. /// References: Anderson, H., et al.: J.
