

2-Acetamido-2-deoxy-6-O-(beta-D-galactopyranosyl)-D-galactopyranose

Art. ID TRC-A152500-10MG
Unit 10 mg
Deliverydetails No Dangerous Good

Description

Category: Oligosaccharides /// Appearance: White Solid /// Application Notes: Occurs as part of a glycoprotein isolated from the cervical mucus of the Bonnet monkey. /// References: Hatcher, V.B., et al.: Biochemistry, 16, 1815 (1977)
