

alpha-Acetamino-alpha-carboxy-(3-indole)-butyric Acid

Art. ID TRC-A161210-250MG
Unit 250 mg
Deliverydetails No Dangerous Good

Description

Category: Amino Acids and Derivatives, Aromatics, Heterocycles, Indole Derivatives /// Appearance: Tan Solid ///
Application Notes: An intermediate in the preparation of D,L-Homotryptophan. /// References: J. Am. Chem. Soc.,
70, 1962 (1948)
