

### **Acetanilide-d5 (Acetylaniline-d5)**

Art. ID TRC-A168332-100MG  
Unit 100 mg  
Deliverydetails No Dangerous Good

#### Description

Category: Aromatics, Isotope Labelled Compounds, Pharmaceuticals, Intermediates and Fine Chemicals ///  
Appearance: Brown Solid /// Application Notes: The first aniline derivative found to possess analgesic and antipyretic properties. /// References: Gohil, V., et al.: Nat. Biotechnol., 28, 249 (2010), Chang, C., et al.: J. Nat. Prod., 73, 229 (2010)
