

N-Acetylneuraminic Acid-15N1

Art. ID TRC-A187001-10MG
Unit 10 mg
Deliverydetails No Dangerous Good

Description

Application Notes: N-Acetylneuraminic Acid-15N1 is an isotope labelled analog of N-Acetylneuraminic Acid(A187000), which is a derivative of neuraminic acid. /// References: Methods Enzymol., 5, 391 (1962), Biochemistry, 18, 2086 (1979)
