

**12-Hydroxy-9(Z)-octadecenoic acid, Purity: >99%**

Art. ID LA-14-1812-30  
Unit 5 x 100 mg  
Deliverydetails No Dangerous Good

Description

Synonyms: Ricinoleic acid

| Text/Information | Analyte/Parameter                     | CAS number  | Concentration/Value | Unit | Method | Source |
|------------------|---------------------------------------|-------------|---------------------|------|--------|--------|
|                  | 12-Hydroxy-9(Z)-octadec<br>enoic acid | [7431-95-0] |                     |      |        |        |
