

1,3-Adamantanediol

Art. ID TRC-A208080-25G
Unit 25 g
Deliverydetails No Dangerous Good /not restricted

Description

Category: Miscellaneous Reagents /// Appearance: White to Off-White Solid /// Application Notes:
1,3-Adamantanediol is used in the synthesis of novel dimethacrylate as possible dental monomers for dental resin mixtures. /// References: Wang, K. et al.: Mat. Sci. Eng. Mat. Biol. Appl., 32, 1141 (2012)| Horino, Y. et al.: J. Mol. Catal. A. Chem.
