

N-Alloc-L-valyl-L-alanine

Art. ID TRC-A549735-5G
Unit 5 g
Deliverydetails No Dangerous Good

Description

Application Notes: N-Alloc-L-valyl-L-alanine is a building block in the synthesis of Tesirine, a clinical antibody-drug conjugate pyrrolobenzodiazepine dimer payload. /// References: Kemp, G. C., et al.: Bioorg. Med. Chem. Lett., 27, 1154 (2017)
