

L-2-Aminobutyric Acid Methyl Ester Hydrochloride

Art. ID TRC-A602940-10G
Unit 10 g
Deliverydetails No Dangerous Good

Description

Category: Amino Acids and Derivatives, Chiral Reagents /// Appearance: White Solid /// Application Notes: Intermediate in the preparation of Ergonovine (E597800) derivatives. /// References: Beck, H., et al.: Bioorg. Med. Chem. Lett., 18, 1037 (2008)
