

2-Amino-1-hydroxyethane-1,1-diphosphonic Acid

Art. ID TRC-A627980-50MG
Unit 50 mg
Deliverydetails No Dangerous Good

Description

Application Notes: 2-Amino-1-hydroxyethane-1,1-diphosphonic Acid is a possible inhibitor of the plant vacuolar proton-pumping pyrophosphatase. /// References: Gordon-Weeks, R., et al.: Biochem. J., 337, 373 (1999)
