

Anthracene-d10

Art. ID TRC-A678403-2.5G
Unit 2,5 g
Deliverydetails ADR Excepted Quantity (EQ) / AIR Excepted Quantity (EQ) UN3077 III E1

Description

Category: Aromatics, Isotope Labelled Compounds /// Appearance: White to Off-White Solid /// Application Notes: Anthracene-d10 is an isotope labelled analogue of Anthracene (A678400), an polycyclic aromatic hydrocarbon found readily as a component in coal tar. Anthracene is also used in the preparation of various dyes.
