

## **5-Allylidene-10,11-dihydro-5H-dibenzo[a,d][7]annulene**

Art. ID TRC-A552600-100MG  
Unit 100 mg  
Deliverydetails No Dangerous Good

### Description

Application Notes: 5-Allylidene-10,11-dihydro-5H-dibenzo[a,d][7]annulene is an impurity of Nortriptyline (N837000) and Amitriptyline (A552600), both of which are antidepressant. /// References: Hale, J.
