

Ammonium Carbonate Carbamate

Art. ID TRC-A633670-1G
Unit 1 g
Deliverydetails No Dangerous Good /not restricted

Description

Category: Miscellaneous Reagents /// Application Notes: Ammonium Carbonate Carbamate is used in the study of amino acids and has important implications in biochemical studies. /// References: Nanping, W. et al.: J. Phys. Chem., 99, 359 (1995)|
