

9-Acetylanthracene

Art. ID TRC-A168485-25G
Unit 25 g
Deliverydetails No Dangerous Good /not restricted

Description

Application Notes: 9-Acetylanthracene is a polycyclic aromatic hydrocarbon (PAH) with photo-induced toxicity. Biological studies have shown that 9-Acetylanthracene has plasmid curing activity. /// References: Sinks, G.D., et al.: B. Environ. Contam. Tox., 59, 1 (1997)| Molnar, J., Biochem. Pharmacol., 28, 261 (1979)
