

## **Titanium base, CRM, chips**

Art. ID 58A-SY13001-1  
Unit 50 g  
Deliverydetails No Dangerous Good /not restricted

| Text/Information | Analyte/Parameter | CAS number  | Concentration/Value | Unit | Method | Source |
|------------------|-------------------|-------------|---------------------|------|--------|--------|
|                  | Aluminium (Al)    | [7429-90-5] | 4,62                | %    |        |        |
|                  | Carbon (C)        | [7440-44-0] | 0,124               | %    |        |        |
|                  | Iron (Fe)         | [7439-89-6] | 0,347               | %    |        |        |
|                  | Molybdenum (Mo)   | [7439-98-7] | 0,103               | %    |        |        |
|                  | Niobium (Nb)      | [7440-03-1] | 3,94                | %    |        |        |
|                  | Silicon (Si)      | [7440-21-3] | 0,007               | %    |        |        |
|                  | Zirconium (Zr)    | [7440-67-7] | 2,94                | %    |        |        |
