

## Silicon Carbide

Art. ID                      NCS DC93026  
Unit                         50 g  
Deliverydetails            No Dangerous Good /not restricted

| Text/Information | Analyte/Parameter              | CAS number  | Concentration/Value | Unit | Method | Source |
|------------------|--------------------------------|-------------|---------------------|------|--------|--------|
|                  | Silicon carbide                | [409-21-2]  | 84,09               | %    |        |        |
|                  | Fe <sub>2</sub> O <sub>3</sub> |             | 0,86                | %    |        |        |
|                  | Free Carbon                    |             | 1,71                | %    |        |        |
|                  | Free Silicon                   |             | 1,45                | %    |        |        |
|                  | SiO <sub>2</sub>               |             | 6,15                | %    |        |        |
|                  | Al <sub>2</sub> O <sub>3</sub> |             | 1,41                | %    |        |        |
|                  | CaO                            |             | 0,17                | %    |        |        |
