

Adenine Hydrochloride-13C5

Art. ID TRC-A280479-5MG
Unit 5 mg
Deliverydetails De Minimis

Description

Application Note: Adenine Hydrochloride-13C5 is the labelled salt of Adenine (A280480), which is widespread throughout animal and plant tissues combined with niacinamide, d-ribose, and phosphoric acids, a constituent of nucleic acids and coenzymes, such as coenzyme I and II, adenylic acid, coalaninedehydrase. It is used in microbial determination of niacin, in research on heredity, virus diseases, and cancer.
